To discover this secret place, the Royals decided that all their relatives invited to the wedding should come together to look for the secret place and then go to free the princess.

So we finally begin our expedition in search of the princess but on our journey we meet the DARK BRIDGE OF THE NON-RETURN illuminated by the blazing lights of Broadway.

At the bridge we find two characters but who will they ever be ????

They are Pumba and Timon who ask us to dance their favorite song to make us cross the bridge, they will show us how to do it and then we will dance with them... ..

We finally arrived on Lampados Island, but the Genius of the Lamp will agree to free the princess on condition that we grant her 3 DESIRES
He has heard that we are extraordinary dancers and knows that only we can fulfill his wishes

☒ feeling elegant and for this reason it requires a very elegant V.LENTO (head and feet)

☒ feeling sexy and for this requires a very sensual RUMBA (arms, gaze)

☒ wants to feel free for this requires us a wild SWING
